Manual abstract:

.. @@After the oven switches off, the cooling fan may, however, continue to run for a certain time to ensure proper cooling. Important: An optional kit consisting of an oven door glass and of relevant mounting components, is available by the After-Sales Service. The use of the kit reduces the temperature of the outer oven surface and is strongly recommended if there are kids in the house. Code N° 4819 310 30186. 1 2 3 Last 1. Selector knob: to choose the oven functions. 2. @@3.
