ZCV662MWC IN A NUTSHELL...

60cm wide electric cooker with double oven, fast ceramic hob and controls conveniently on top for easy access and added safety.

HOW LIFE GETS EASIER...

- This large-capacity oven is specially designed to cook several different dishes at once, taking all the stress out of preparing a meal.
- Zanussi believe that with fantastic cooking performance should also come great efficiency. With two ovens rated 'A' for efficiency, you know you'll spend less on energy bills. So why not splash out on something else instead?
- Ideally positioned at the front of the hob, the controls are easy to see and access, which means you don't need to bend or step away from the cooker to change the heat settings.
