**P-660HW-Tx v3
SERIES**
802.11g Wireless
ADSL2+ 4-port Gateway

Ultra High-Speed Wireless ADSL2+ Gateway for SOHO Networks

- ADSL 2+ High-Speed Internet Access
- WPS Button for Quick and Easy Wireless Security Setup
- Firewall with Stateful Packet Inspection (SPI) and Denial of Service (DoS) Prevention
- UPnP Support

Benefits

High-Speed Internet Access

With speeds of up to 12 Mbps (DSL 2) or 24 Mbps (ADSL 2+) ZYXEL P-660HW-Tx v3 Series offers higher data transfer rates and faster bandwidth than traditional ADSL gateways. Users can enjoy not only high-speed ADSL services but also broadband multimedia applications such as interactive gaming, video streaming, and real-time audio/multimedia download.

Quick and easy wireless security setup

The P-660HW-Tx v3 Series with WPS function gives users a standard way to more easily set up a security-enabled Wi-Fi network in home and small office environments. It supports methods (including a button-pressing a PIN code) instead of type application that are familiar to most users to configure a network and to enable security features.

Enhanced Security Features Form Robust Protection

Based on Stateful Packet Inspection (SPI), DoS (Denial of Service) and DDOS features, the P-660HW-Tx v3 Series provides the first-line defense against hacker, network intruders and other malicious threats.

UPnP Support

The P-660HW-Tx v3 Series makes connecting PCs of all form factors and intelligent home and office appliances easier and even automatic by leveraging the latest TCP/IP and Web technologies.
